

If you have not showed symptoms of COVID-19 for the last 15 days and would like a test for travel purposes, our clinic's express test facility for travelers, located inside Arlanda airport at "Sky City" (between terminals 4 and 5), can provide this.

We offer same day test result and travel certificate using the following tests:

rt-PCR-test. Performed weekdays 08:00 - 10:00.

- Same afternoon test result.
- Drop-in queue (booking not required nor possible).
- Price: 2500 SEK.

If your test indicates NEGATIVE; a travel certificate written in English will be provided that includes:

- Type of test: (rt-PCR test for for SARS-CoV-2/COVID-19).
- Your test result: NEGATIVE.
- Passport number (or ID card number)
- Your first and last name, as stated in your passport (or ID-card).
- Date and time the test was conducted.
- Name and contact information of our clinic.
- Stamp and signature of a medical doctor.

The printed certificate will be handed out as soon as the result from the express analysis is received by our offsite laboratory, between 16:00 – 17:00).

(Should your test result indicate POSITIVE; we will contact you via telephone. A travel certificate will not be issued in this case and a refund for the cost of the test is not possible).

Antigen-test. Performed weekdays 10:00 – 13:00 and 14:00 – 17:00.

- This "quick test" will be analyzed directly at our test facility and your result and travel certificate will be ready 15 - 20 min after performing the test.
- Drop-in queue (booking not required nor possible).
- Price: 750 SEK.

Payment for the above tests are done by:

- Card (All major credit cards incl. Amex).
- Cash (Swedish currency only) preferably in the exact amount.
- SWISH (for Swedish bank customers).

Make sure to bring passport/travel document or a copy/picture thereof to the test facility.

To enable a swift process and diminish queue time, please inform yourself about specific requirements for your own journey. The staff at the clinic has limited abilities to help you with this at the time of testing.

For obvious reasons, we ask you to respect other travelers and the staff at the clinic when it comes to distance to each other and personal behavior.
