

If you didn't experience COVID-19 symptoms for the last 2 weeks and need a covid-19 test for travel purposes, our clinic, located inside Arlanda airport at Sky City (between terminals 4 and 5), can provide this.

Our clinic is located at level 5, entrance A. Use elevator next to McDonalds.

BOOKING: <https://www.bokadirekt.se/places/airport-sky-v%C3%A5rdcentral--39037>

We offer same day test result and travel certificate in English and provide the following tests:

EXPRESS rt-PCR

- This test will be analyzed directly at our test facility and the result and your travel certificate will be ready within 1 hour after performing the test.
- **Price: 2500 SEK.**

ANTIGEN (Rapid test)

Test used: Flowflex by ACON a rapid antigen test that exceed the minimum criteria recommended by the WHO for SARS- CoV-2-Ag rapid tests.
(Flow flex: 97,1% sensitivity and 99,6% specificity).

- This test will be analyzed directly at our test facility and the result and your travel certificate will be ready in 15-20 min after performing the test.
- **Price: 700 SEK.**

If your test indicate NEGATIVE; a travel certificate **written in English** will be provided that includes:

- Type of test.
- Your test result: NEGATIVE.
- Passport number (or ID card number)
- Your first and last name, as stated in your passport (or ID-card).
- Date and time the test was conducted.
- Name and contact information of our clinic.
- Stamp and signature by our medical staff.

(Should your test result indicate POSITIVE: We will contact you via telephone. A travel certificate will not be issued in this case and a refund for the cost of test will not be done).

-PAYMENT FOR THE ABOVE TESTS ARE DONE BY CARD OR CASH (SWEDISH CURRENCY ONLY).

-MAKE SURE TO BRING PASSPORT/TRAVEL DOCUMENT OR A COPY/PICTURE OF THEREOF TO THE CLINIC.

To enable a swift process, please inform yourself about specific requirements for your own journey. The staff at the clinic has limited time to help you with this at the time of testing.
